

REACH & SCIP Compliance Declaration

UltrArmor is committed to ensuring full compliance with applicable European environmental and chemical regulations. This declaration outlines our adherence to the REACH Regulation (EC) No 1907/2006 and the EU Waste Framework Directive (WFD), including requirements related to SCIP notifications.

REACH SVHC Declaration

UltrArmor has conducted a comprehensive assessment of its products and supply chain to identify the presence of substances listed on the Candidate List of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA).

All UltrArmor products are classified as Articles under REACH and are not intended to release substances under normal and reasonably foreseeable conditions of use.

Certain components within the products listed below may contain SVHCs in concentrations exceeding 0.1% (w/w), in accordance with REACH requirements.

SCIP Notification Information

In compliance with the EU Waste Framework Directive, UltrArmor has successfully submitted the required product information to the ECHA SCIP database. The corresponding SCIP identifiers for relevant hardware products are provided below:
